

## CONTRACT PRESS UPGRADES

### Flywheel Brake Packages

#### Ref. Part No. 810-0383

This package adds a pneumatic operated brake unit to stop the Flywheel after the press has shut down.

#### Benefits:

- Quicker access to the press after shutdown.
- Safer for maintenance personnel servicing the press.
- Often necessary when converting from an Eddy Current main drive motor (with EC brake) to a VFD.

#### Package Includes:

- Mounting bracket
- Brake unit and facings
- Activation valve and pressure switch
- All necessary lines and fittings
- Installation instructions

#### Press Lines:

- OPTH, DASH, DAC, E2, P2, and OBI
